Thank you Ms. Amy Erickson

It was our tremendous pleasure to have Ms. Amy Erickson of the Jacksonville Lean Consortium join us for our April meeting. I, for one, had no idea how successful the Consortium had become in the year and a half since it was formed. With 16 member organizations in the first Consortium, and a second Consortium launching this summer with another 16+ companies, it is clear that their goals have been well received and that they are a value-added group. For those that missed it, Ms. Erickson's presentation is archived on our section

<http://www.asq1506.org/archive.htm>

#### **New Section 1506 Board Selected**

The ASQ Section year runs from July 1 – June 30. At our April meeting, the section selected a new board for the 2005-2006 year. I would like to sincerely thank all those that have volunteered their time and energy to lead the section next year. A list of the official new board members is displayed in page 3.

I would also like to thank all of those that have served the section for the past year, too. It has been an interesting rewarding year. Each member of the board has served with distinction and I want each to know that I personally appreciate their efforts.

Please join us on Thursday, May 19<sup>th</sup>.

#### **Important Information**

For re-certification, send your document to the Recertification Chair

Elwood A. Nelson new address:

**145 Moses Creek Blvd.  
St. Augustine, FL 32086**

**Tel./Fax 904-797-6102**

**Program & Education Info Section 1506**

**Back to Basics**

**Basic Quality Principles**

Fads come and go and sometimes come again. Basic quality principles stand the test of time. If you are new to quality knowing these principles are a must. If you are a seasoned veteran recalibrating yourself to these principles every so often helps. Come learn the various definitions of quality. Come learn what Deming, Juran and Crosby were all about. Come learn how to asset current trends to the basic quality principles. Above all – come learn.

See you on May 19th  
 Ron Sedlock  
 Education Chair

**MAY**

**Date:** May 19th  
**Time:** 5:30 – 8:30 PM  
**Cost:** \$15  
**Location:** Holiday Inn,  
 Baymeadows

Robert Rhyder, a member of our Jacksonville section, will be speaking on the topic of manufacturing processes with a discussion titled “Process Optimization via Multiple Response Analysis Tables.”
