

Happy New Year!

If you have any quality training needs in 2012, keep me in mind. I offer various quality classes. If you are seeking ASQ certifications I do exam preparation classes for most certifications. I offer public seminars only if the demand is there. All my training can be offered "in-house". In-house training is more cost effective if you have 6 or more trainees.

IMMEDIATE ATTENTION -- If you are planning to take the March 3rd exam (CMQ/OE, CRE, SSBB) be aware the ASQ registration deadline in **January 13th**. If you are planning to take those exams, we would need to begin soon for intensive studying. I do have a couple of people on a waiting list for the March exams. The next exam date will be June 2nd (CQE, CQA, SSGB).

In these tough economic times, I am willing to give individual advice on quality. This is a free service.

Have a great 2012.
